The Commission hereby repeals administrative rules and regu-

lations, Title 14, Chapter 3, Article 1, also known as General Order 255 and does hereby adopt a new Title 14, Chapter 3, Article 1.

The revised Rules of Practice and Procedure adopted herein shall be effective for all proceedings held by the Commission subsequent to January 1, 1976.

R14-3-101. Scope and construction of rules, special orders

In all cases in which procedure is set forth neither by law, nor by these rules, nor by regulations or orders of the Commission, the Rules of Civil Procedure for the Superior Court of Arizona as established by the Supreme Court of the state of Arizona shall govern. Notwithstanding any of the above, neither these rules nor the Rules of Civil Procedure shall apply to any investigation by the Commission, any of its divisions or its staff.
- B. Liberal construction -- waiver. These rules shall be liberally construed to secure just and speedy determination of all matters presented to the Commission. their names and addresses for the record and stating their position or interest.

- C. Designation of classes, parties. When two or more parties have substantially like interests and positions, the presiding officer may declare them a class of parties present and appearing for purposes of the hearing. The presiding officer may deem participation by other members of the same class to be cumulative and may restrict its presentation accordingly. More than one class may be established for a hearing.
- D. Notice. Whenever under these rules service is required or permitted to be made upon a party represented by an attorney, the service shall be made upon the attorney unless service upon the party is ordered by the Commission. - G. Former employees. - C. Other appearances. Notwithstanding the provisions of subsections R14-3-105(A) and R14-3-105(B), any consumer or prospective consumer may appear at any proceeding and make a statement on his own behalf, at a time designated by the Commission or presiding officer. When two or more interested persons under this rule have substantially like interests and positions, the presiding officer may declare them a class of interested persons for purposes of the hearing. The members of the class shall designate to be spokesman for the class one of their number, or his attorney, or such greater of their number, or attorneys, as the presiding officer shall determine. More than one class may be established for a hearing.

- E. Amendments to formal documents. The Commission or presiding officer, in his discretion, may allow any formal document to be amended or corrected. Formal documents will be liberally construed and defects which do not affect substantial rights of the parties will be disregarded. The Commission or presiding officer shall cause parties or formal documents to be redesignated whenever necessary in accordance with these rules.
- F. Applications. A request for a right, authority or other affirmative relief (other than by complaint or counterclaim) or a request for leave to intervene shall be designated an "Application". The application shall set forth the name and post office address of the applicant and shall contain the facts upon which the application is based, with such exhibits as may be required or deemed appropriate by the applicant.
- G. Application for rehearing. A request for rehearing, filed either under R14-3-111 or R14-3-112, shall be designated as an "Application for Rehearing". Applications filed under R14-3-111 shall be governed by the provisions of that rule and A.R.S. § 40-253. Applications filed under R14-3-112 shall be governed by that rule.
- H. Answers. Answers to complaints are required and must be filed within 20 days after the date on which the complaint is served by the Commission, unless otherwise ordered by the Commission. All answers shall be full and complete and shall admit or deny specifically and in detail each allegation of the complaint to which such answer is directed. The answer shall include a motion to dismiss if a party desires to challenge the sufficiency of the complaint.

- I. Protests. Unless otherwise provided by special order of the Commission, a person who may be adversely affected by an application shall have the right to file a written protest with the Commission or be heard orally as a protestant at a public hearing.
- J. Response to application when required by Commission. After the filing of an Application, the Commission in its discretion may make any public service corporation or other person subject to its jurisdiction, a party to the proceedings and may require such person or corporation to respond to the allegations of the Application.
- K. Motions. Motions shall conform insofar as practicable with the Rules of Civil Procedure for the Superior Court of the state of Arizona.
- L. Formal complaints. The complaint shall be signed by the complainant, or by one of the complainants if there be more than one, or by an officer of the complainant if the complainant be a corporation, association or other organization, or for the complainant by an agent or attorney. If the complainant has an attorney, his name and address shall appear in the complaint and he shall sign the complaint.
- M. Informal complaints
 1. Informal complaints may be made by letter or other writing. No particular form is required; however, the writing must clearly state the matters complained of and must satisfactorily identify the party complained against. It need not be verified but must be signed by the complainant or attorney and show the address of the complainant and his attorney if he has one.
 2. Informal complaints may be handled by the Commission or staff, by correspondence or otherwise, with the parties affected in an endeavor to bring about a speedy adjustment of the complaint without formal hearing. Informal procedure is recommended in all cases except those which clearly cannot be adjusted informally. Proceedings on informal complaints will be conducted without prejudice to the complainant's right to file and prosecute a formal complaint if the matter cannot be properly adjusted informally, in which event the proceeding on the informal docket will be discontinued. A formal complaint must thereafter be filed if a hearing is desired.

Applicants or complainants (each of whom must carry the burden of proof) shall present their evidence and then such parties as may be opposing the application or complaint shall submit their evidence. The presiding officer shall determine the order in which parties shall introduce their evidence. Intervenor shall, insofar as possible, follow the party with respect to whom their interests are most closely identified. The Commission or the presiding officer may consolidate two or more proceedings in one hearing when it appears that the issues are substantially the same and that the rights of the parties will not be prejudiced by such procedure. At such consolidated hearing the presiding officer shall determine the order in which all the parties shall introduce their evidence and which party or parties shall open and close.
- I. Limiting number of witnesses. To avoid unnecessary cumulative evidence, the presiding officer may limit the number of witnesses or the time for testimony upon a particular issue.
- J. Stipulations. With the approval of the presiding officer, the parties may stipulate as to any fact at issue, either by written stipulation introduced in evidence as an exhibit or by oral

Corporation Commission - Rules of Practice and Procedure

statement shown upon the record and such stipulation shall be binding upon all parties thereto. The Commission or presiding officer, may, however, require proof by evidence of the facts stipulated to, notwithstanding the stipulation of the parties.

- K. Rules of evidence. In conducting any investigation, inquiry or hearing, neither the Commission nor any officer or employee thereof shall be bound by the technical rules of evidence, and no informality in any proceeding or in the manner of taking of testimony shall invalidate any order, decision, rule or regulation made, approved or confirmed by the Commission. Rules of evidence before the Superior Court of the state of Arizona will be generally followed but may be relaxed in the discretion of the Commission or presiding officer when deviation from the technical rules of evidence will aid in ascertaining the facts.
- L. Documentary evidence. Unless otherwise ordered by the Commission or presiding officer and if practicable, exhibits should be limited in size when folded to 8 1/2 x 11 inches. A copy of each documentary exhibit shall be furnished to each party of record present, and three additional copies shall be furnished for the use of the Commission unless the Commission or presiding officer otherwise directs. Where relevant and material matter offered in evidence is embraced in a written or printed statement, book or document of any kind containing other matter not material or relevant and not intended to be put in evidence, such statement, book or document in whole shall not be received or allowed to be filed, but counsel and other parties offering the same shall present in convenient and proper form for filing a copy of such material and relevant matter, or at the discretion of the presiding officer, read the same into the record, and that only shall be received and allowed to be filed as evidence and made a part of the record. Whenever practicable, or when ordered by the Commission or presiding officer, the parties shall interchange copies of exhibits before or at the hearing. Any documentary evidence offered, whether in the form of exhibit or introduced by reference, shall be subject to appropriate and timely objection.
- M. Prepared testimony. The Commission may order the prefiling and service of testimony and exhibits. Before any prepared testimony is read, unless excused by the presiding officer, the witness shall deliver copies thereof to the presiding officer, the court reporter, and all counsel or parties. Admissibility shall be subject to the rules governing oral testimony. If the presiding officer deems that substantial saving in time will result, he may direct prepared testimony be copied into the record without reading.
- N. Resolutions. Resolutions properly authenticated by the governing bodies of a governmental entity will be received in evidence if offered at the hearing by the president, secretary, or other proper person. Such resolutions shall be received subject to rebuttal by adversely affected parties as to either the authenticity of the resolution or the circumstances surrounding its procurement. Recitals of fact contained in resolutions shall not be deemed proof of those facts, and such resolutions shall only be received for the limited purpose of showing the expression of the official action of the resolving body with respect to the matter under consideration in the proceeding.
- O. Subpoenas. Subpoenas requiring the attendance of a witness from any place in the state of Arizona to any designated place of hearing for the purpose of taking testimony of such witnesses orally before the Commission may be issued upon application in writing. A subpoena may also command the person to whom it is directed to produce books, papers, documents or tangible things designated therein. The application for such subpoenas must specify, as clearly as possible, the books, waybills, papers, accounts or other documents desired.

The Commission or presiding officer, upon motion made promptly and, in any event, at or before the time specified in the subpoena for compliance therewith may:

1. Quash the subpoena if it is unreasonable or oppressive, or
2. Condition denial of the motion upon the advancement by the person in whose behalf the subpoena is issued, of the reasonable cost of producing the books, waybills, papers, accounts or other documents desired.

Witnesses who are summoned are entitled to the same fees as are paid for like service in the courts of the state of Arizona, such fees to be paid by the party at whose instance the witness is subpoenaed. If service of subpoena is made by an officer of the state or his deputy, such service shall be evidenced by his return thereon. In case of failure to make service, the reasons for the failure shall be stated on the original subpoena. In making service the original subpoena shall be exhibited to the person served, shall be read to him if he is unable to read, and a copy thereof shall be left with him. The original subpoena, bearing or accompanied by the required return, shall be returned forthwith to the Commission.

- P. Depositions. The Commission, a Commissioner, or any party to any proceeding before it may cause the depositions of witnesses to be taken in the manner prescribed by law and of the civil procedure for the Superior Court of the state of Arizona.
- Q. Continuance. Either prior to hearing or during a hearing, and on a showing of good cause, a matter may be continued by the Commission or the presiding officer for submission of further or additional evidence or for any other proper purpose.

 2. Contents of decisions, orders, certificates and permits issued by the Commission.
 3. Matters of common knowledge and technical or scientific facts of established character.
 4. Official documents, if pertinent, when properly introduced into the record of formal proceedings by reference; provided, however, that proper and definite reference to such document shall be made by the party offering the same and that the same is published and generally circulated so that an opportunity shall be given to all of the parties of interest at the hearing to examine the same and present rebuttal evidence.
 5. Such other matters as may be judicially noticed by the Courts of the state of Arizona.
- U. Reliance on other records in Commission's files. When a party desires to offer in evidence any portion of the testimony, exhibits, order, decision or record in any other proceeding before the Commission, such portion shall be plainly designated in the stenographic record and, if admitted, shall be deemed to be a part of the testimony in the immediate proceeding without physical production and marking for identification.
- V. Open hearings. All hearings conducted pursuant to these rules shall be open to the public.

- W. Transcripts. The Commission will cause a stenographic record to be made of all public hearings. Parties desiring copies of such transcript may purchase same from the court reporter.
- X. Objections and rulings. When objections are made to the admission or exclusion of evidence, the grounds relied upon shall be stated briefly. The presiding officer shall rule on the admissibility of all evidence.
- Y. Offer of proof. An offer of proof for the record shall consist of a statement of the substance of the evidence to which objection has been sustained.
- Z. Documents in the docket file as evidence for the record. The docket file is a public record and, as such, is available and open to inspection to all. Any document in such file shall not be considered unless same is offered and accepted in evidence. Such document need not be produced as an exhibit but may be received in evidence by reference, provided that the particular portions of such document are specifically identified and are competent, relative and material. If testimony in proceedings other than the one being heard is offered in evidence, a copy thereof shall be presented as an exhibit, unless otherwise ordered by the presiding officer.
